

Loma de Vida Spa Deepens its Commitment to Wellness with OTO
Two New Cutting-Edge CBD-Infused Treatments Enhance Spa Menu

SAN ANTONIO, Texas – [Loma de Vida Spa & Wellness](#), poised at the highest elevation point in San Antonio at the award-winning La Cantera Resort & Spa, is pleased to introduce the UK's leading luxury wellness brand [OTO](#) to its lineup of innovative spa treatments. As the first OTO supplier in Texas, spa guests will be able to book and experience Loma de Vida's new OTO massage and facial treatments beginning June 1, 2023.

OTO, derived from the Japanese word for 'Sound,' offers a unique approach to relaxation and rejuvenation by harnessing the power of the purest and most potent CBD, plant extracts, and adaptogens in its products and combining them with sound therapy, handcrafted bamboo tools, crystal therapy, and botanical beverages. Whether indulging in the massage or facial, guests who embrace the OTO treatment philosophy are rewarded with a comprehensive wellness journey towards re-balancing mind, body, and skin.

The OTO spa treatments to be offered at Loma de Vida are as follows:

Of Earth and Sky, a CBD Massage

Designed to align with your daily circadian rhythm, the FOCUS, AMPLIFY, and BALANCE journeys meet your body and mind to ease stress and invite a sense of grounded balance - and at the same time leave you feeling light as air as if you're floating through space and time. Begin by selecting an inspired OTO CBD journey through an aromatic immersion that determines the 'needed' blend of wellness. After selecting your area of intent, this deeply therapeutic and personalized experience will reset your body's energy and muscle flow for the day or evening to come. Each theme has been choreographed to a custom-created musical journey that provides an immersive sensorial service. | \$260 75 min / \$295 90 min

CBD Firm and Lift Facial

Designed to rebalance tired, stressed skin and restore radiance both inside and out. This holistic facial treatment combines the power of OTO CBD with a recentering sound therapy, a sculpting bamboo massage, lifting geothermal effect and the cleansing properties of clear quartz crystal for a truly restorative experience. This deeply relaxing facial is accompanied by choreographed sounds that are available on Spotify so that any time after your service, you can recall the same feelings of stillness and calm. | \$250 75 min

Guided by nature and grounded in science, OTO immersive spa treatments harness the power of plant extracts and actives, designed to deliver the optimum dose of CBD both transdermally for rapid muscular relaxation and internally for optimum nervous system support. This layering effect forms part of the OTO Strength™ guarantee. Adding to this, immersive soundscapes accompanied by crystal placement and bamboo massage bring about a transformational experience. Committed to working with the highest quality ingredients and using pure CBD isolate, OTO ensures a consistent standard in every formula, batch after batch.

"We are thrilled to unveil our latest addition to the Loma de Vida Spa & Wellness experience with the launch of OTO's opulent CBD line this summer," says Michelle Robertson, Director of Marketing at La Cantera Resort & Spa. "Our guests can indulge in a truly restorative spa journey that blends the therapeutic benefits of CBD with our award-winning treatments."

"We are delighted to be launching at Loma de Vida and work with an incredibly forward-thinking team that truly embraces the wonders of OTO and the power of immersive spa experiences so that guests can find their space," says Helen Cain, Global Director of Spa, OTO.
